Food Allergy Research and Resource Program  
2019-2020 Holiday Closing Schedule

The Food Allergy Research and Resource Program (FARRP) at the University of Nebraska wishes to give you advance notice that the University of Nebraska will be completely closed down for the following holidays:

Thanksgiving holiday, Thursday, November 28, and Friday, November 29, 2019.
- FARRP will close on Wednesday, November 27, 2019 at 5:00 p.m. (CST) and will reopen on Monday, December 2, 2019.

- FARRP will close on Friday, December 20, 2019 at 5:00 p.m. (CST) and will reopen on Thursday, January 2, 2020

- The University of Nebraska will also be closed Monday, January 20, 2020.

Important Note for FARRP Laboratory Services:

In order for us to ensure you receive testing results before the Thanksgiving closedown:

Samples for FARRP member companies must be received by Thursday, November 21, 2019.*

Samples for non-FARRP member companies must be received by Tuesday, November 19, 2019.*

In order for us to ensure that you receive testing results before the Christmas closedown:

Samples must be received before Monday, December 16, 2019.*

We anticipate receipt of larger volumes of samples just before and after these times as companies adjust to our pending closedown. We will make every effort to maintain our standard turnaround times.

* All turnaround times are dependent on no shipping delays, sample id errors, concerns about sample condition and/or no unexpected testing issues.

Rush testing requests may not be accommodated after these dates dependent upon sample load.

Please Note: Testing does not occur during closedowns. The building is locked and no one is available to receive shipments during the closedowns. FARRP will be able to resume receipt of shipments and testing when we return to normal business hours upon reopening.

As always, and especially at this time of year, contact the FARRP Laboratory before sending any samples. The laboratory phone number is 402-472-4484, fax number is 402-472-4474, or you can email us at dlambrecht1@unl.edu, skraft2@unl.edu and liemann1@unl.edu.

We do appreciate your patience and thank you for your accommodation during this time of year.
